Department
of Engineer-
ing Sciences 4

It was quite inspiring to watch the potential of our students unfolding at various stages and situations each day. Trying and testing times during the hectic semester system have elicited our students to put forth their best. The management and the faculty have been supportive for various activities that were undertaken by the students in view of helping them reach the pinnacle of perfection and pro functionalism in whatever task they took on, thus strengthening our "journey of achieving excellence".

It is my pleasure in congratulating the Engg. Science Department on this pleasant occasion of releasing the Newsletter for the academic 2017-18. It is great to find a considerable number of winners and participants in co-curricular & extra curricular activities which certainly prove that our staff and students are adequately equipped & possess necessary skill sets to bring such laurels to the institution. I am sure that publishing a newsletter of this sort containing the achievement of the words will be a recognition to them and I wish them all the very best for future endeavors.

Our First Year Department has well qualified & dedicated faculty. We impart quality engineering education through sound theoretical knowledge, as well as computational skill of fundamental subjects & exposure to recent technologies by visiting industries & organizing expert talk. We provide opportunities for students to participate in various technical and sports events / competitions. This newsletter is an attempt to highlight the achievements of the department. We have showcased the best and look forward to have more in the future in next edition.

From the Editors Desk

ONCE MORE, IT IS WITH IMMENSE PLEASURE THAT I HAVE BEEN GIVEN THE OPPORTUNITY TO WORK ON THE ELEVENTH EDITION OF THE DEPARTMENT NEWSLETTER. THIS NEWSLETTER GIVES THE HIGHLIGHTS ON THE ACTIVITIES AT THE DEPARTMENT OF ENGINEERING SCIENCES. THE INDUCTION PROGRAM GIVES THE HIGHLIGHTS ON THE SYSTEM OF FE DEPARTMENT AND WORKING CULTURE. THE ROLE OF STUDENTS ASSOCIATION IS TO DEVELOP THE HIDDEN TALENTS IN THE ENGINEERING STUDENTS BY THE DIFFERENT CULTURAL ACTIVITIES SUCH AS DANCING, ANCHORING, SINGING, ETC.

Induction Program

The induction program for the students of First Year Engineering was held on 1st August 2017. The aim of the program was to ensure that every student feels welcome, engaged and excited to begin the new important stage in their education. The idea was to make the students aware of their prospective opportunities and to show them the path they have adopted in order to become successful engineers. The chief guest of the event was Mr. Shekhar Kamble (GM, TCS Pune). The students were addressed by Honorable Principal, Vice Principal and Head of Department.

FESA Inauguration & Handover Ceremony

The FESA Handover Ceremony was organized on 23 September 2017 Saturday. The program was presided over by Vice-Principle Prof. A. S. Devasthali, HOD Dr. Mrs. S. M. Yadav, Dr. N. S. Mujumdar Sir

The post of GS was handed over to Mr. Nishad Ashtankar of K Division while post of Co-GS went to Ms. Siddhi Shingote of G Division. Abhishek Marathe was selected as a Treasurer from Division E.

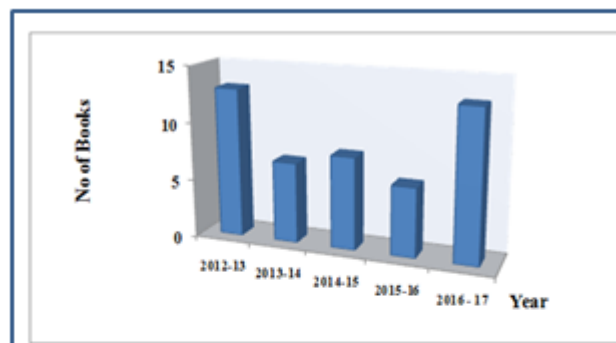

Many performances like singing, dancing, standup comedy, drama, etc. were held.
