Synopsis:

Engineering Sciences and Humanities department of RSCOE organized annual meet of parents with the teachers dealing with the academics of their wards. This meeting serves as a common platform for direct interaction between parents and GFMs/subject teachers and assist in shaping future course of actions for their wards.

The event started with the welcome address followed by Saraswati Pujan by all dignitaries. Convener of the program Prof. (Dr.) S. M. Yadav madam felicitated all the invited dignitaries. Convener of this program delivered preamble to this event and highlighted different initiatives taken by the department for the students to get accustomed in the college environment. This was followed by pointing out some keen observations on the new generation by Prof.(Dr.) N. S. Mujumdar in his speech. Dy. Director of the institute Prof.(Dr.) A. S. Devasthali emphasised the importance of discipline to be inculcated in the first year students. In the address from the session chair, Prof. (dr.) S. P. Bhosle sir gave glimpses overall growth of the institute in the past years and the contributions and expectations from first year students. The program ended with the vote of thanks by Prof. Kushal Lodha on behalf of Departmental Academic Coordinators and The event was followed by immediate spontaneous one to one interaction between GFMs and parents at distinct designated places. GFMs also presented the results of the first semester to individual parents and different challenges faced by the individuals. Subject teachers concerned about particular students were also involved in one to one interaction. Prof. (Mrs.) Amruta Dixit and Ms. Neha Pendse shouldered the responsibilities of anchoring for the event.
