Activity Details:

The PRAKALP event was successfully conducted at RSCOE, bringing together talented students from various colleges to showcase their innovative projects. This event provided a platform for young minds to present their ideas and solutions to real-world problems, fostering creativity and technical excellence.

PRAKALP attracted enthusiastic participation from students across multiple institutions. The participants demonstrated their innovative projects in front of external evaluators, who assessed the projects based on various criteria such as originality, feasibility, impact, and technical execution.

Mr. Amol Aher(Kasnet Technology Pvt. Ltd.), Vaibhav bhagwat (Spinger Nature), Mr.Atharv Potpelwar(Vodafone Intelligent Solutions), Dr. Nagesh Raykar(HDFC Pvt Ltd), Mr. Shashank

Wankhade(Wipro) were judges for the program. A panel of esteemed external judges meticulously evaluated each project, offering valuable feedback to the participants. The assessment process was designed to encourage creativity and reward technical excellence. The evaluators engaged in discussions with the participants, gaining insights into the thought process behind their innovations. After a thorough evaluation, the winners were declared based on their project's merit and presentation. Total 8 winners were declared and awarded cash prizes as a token of appreciation and encouragement for their exceptional work. The event concluded with a felicitation ceremony where the winners received their prizes amidst applause and appreciation from the audience.
