Model-X Soft Model Competition

The poster is for the Model-X Soft Model Competition. It features a dark background with blue and teal abstract shapes. At the top, it displays the logos of JSPM, Rajarshi Shahu College of Engineering, Tathawade, Pune, and RSCOE. Below these, it mentions the Department of Information Technology. The central text reads 'PRESENTING YOU MODEL-X Soft Model Competition'. To the left, there are logos for the Innovation and Incubation Foundation and the Institution's Innovation Council. The domains of the competition are listed in a blue box: Data Science, IOT, Cybersecurity, AI-ML, Networking-Information Security, Robotics, Industry 4.0, and Other related fields... The event details are provided in a blue box: Event Date: 2nd April, 2025, Venue: MBA seminar hall, Group Size: 2-3 members, Entry Fee: 100/- per group. Contact information for Jitesh Bagale and Hitesh Chavan is also given. A QR code is present with the text 'Scan Me' and 'REGISTER NOW!'. At the bottom, the names and titles of the organizers are listed: Jitesh Bagale (Student Co-ordinator), Dr. Pallavi Tekade (Faculty Co-ordinator), Dr. Nihar M. Ranjan (H.O.D. IT Department), and Dr. Santosh P. Bhosle (Director RSCOE).

Activity Report

Model-X Soft Model Competition

Date:-	2 nd April 2025
Time:-	2:00 pm to 5:00 pm
Location:-	Computer Center Lab, AI Lab, Multimedia Lab

Activity Details:-

The Department of Information Technology, in collaboration with the Innovation and Incubation Foundation and Institution's Innovation Council, hosted **MODEL-X**, a soft model competition aiming to foster innovation, creativity, and technical skills among students. The competition aims to ignite a spirit of problem-solving and invention, empowering students to become future-ready professionals and change-makers. By merging hands-on learning with real-world application, **MODEL-X** provides students with a stage to transform concepts into functional models that address current and emerging challenges. The event not only encourages teamwork and ideation but also nurtures the entrepreneurial mindset needed to thrive in today's rapidly evolving technological landscape.

The competition featured a vibrant display of projects in domains such as Data Science, Cybersecurity, AI-ML, IoT, Networking, Robotics, Industry 4.0 and interactive sessions, hands-on demonstrations, and idea showcases defined the day, making it a memorable learning experience for all participants. The event was guided and supported by faculty, mentors, and industry experts who provided valuable insights and feedback to students.

Objectives :

- To offer experiential learning through model-building, innovation, and technical presentation.
- To cultivate entrepreneurial thinking by enabling students to turn ideas into impactful solutions.
- To inspire curiosity and cross-domain exploration in emerging technologies.
- To promote collaboration and communication through group participation and peer learning.
