**Book Bonaza 2k25 (Book Exhibition in Jayawant Library from 5th  
February to 6<sup>th</sup> February 2025) in Innovision 2025.**

JSPM's Rajarshi Shahu College of Engineering, Jayawant Library organized a Book Exhibition during 5<sup>th</sup> February to 6<sup>th</sup> February 2025 in Innovision 2025 institute Technical Event. The objective of this event was to offer wide range of access to newly emerged academic books both in digital and print format in Engineering, Management and education. and self - help books for general development of students as National Education Policy 2020 also emphasize importance on holistic development of students along with academics. Sales Manager, Times of India Mr Makarand Patil inaugurated the book exhibition along with Librarian RSCOE Dr S.P. Gudi by cutting the Ribbon and with holy pooja of Goddess Saraswati by lightning lamp. He spoke about the importance of reading books and said students require to print books rather than e-books to get depth understanding of concepts. Students need to read traditional print books as well as modern e-books parallelly according their needs.. He also purchased book in Book Exhibition and encouraged students and faculty members to purchase. Dr. (Mrs) S.P. Gudi. , Librarian, RSCOE welcomed all students to Book Exhibition. She said reading both print and digital books is considered a beneficial practice, as it allows students to take advantage of the strengths of each format, such as the potential for better comprehension with print books while accessing a wider library and convenience with digital books depending on their needs and reading situation; however, research generally indicates that reading comprehension tends to be higher when reading printed books compared to digital ones. faculty members, library staff members and a group of students joined in inauguration. The students and faculty members were attended and explored thre books on varied subjects like, AI, IOT, Machine Learning, Data Science, Robotics, Autonomous Vehicles, Digital Manufacturing, Data Analytics, Cyber Security, Virtual reality, Chemistry, Mathematics, Computer Science & Applications, Management, Pharmacy, Education, Indian Knowledge System and multi-disciplinary subject books in Engineering , Yoga Science, Physical Education etc The exhibition was visited by 500 + students .and faculty members event was organised by Dr (Mrs) S P Gudi and library staf members. The event was sponsored by Pro Quest Part of Clarivate. The Book Exhibition is supported by Vaibhav Book House for Print , Pearson India Education Service Pvt. Ltd. for E-Books to showcase their Books on newly emerging subjects.
