Leadership Selection Report (2025–2026)

Day: 28th July 2025

Venue: JSPM's RSCOE, Tathawade

Conducted by: The RSCOE N.S.S Unit

Faculty coordinator: Prof B.B.Gadekar

As we know, every new team needs a new leader for better coordination and understanding within the team. Similarly, for the academic year 2025–2026, the National Service Scheme (NSS) Curriculum (Club) also requires a new team to run this extraordinary curriculum and maintain its legacy. That's why our NSS unit successfully organized the selection process for the President and Vice-President. In addition, we selected each Department Coordinator as well as the Heads of various Portfolios.

➤ **Introduction:**

Leadership plays a vital role in shaping the direction and effectiveness of any organization, especially when it comes to student-driven initiatives like the National Service Scheme (NSS). With the beginning of a new academic year, it was essential to appoint a new leadership team that would take forward the spirit of social responsibility, unity, and active participation among students.

To fulfill this objective, the RSCOE NSS Unit initiated a well-structured and participatory selection process aimed at identifying the next set of student leaders for the academic year **2025–2026**. This process was conducted under the mentorship of **Prof. B.B. Gadekar**, the Faculty Coordinator of NSS, and involved enthusiastic involvement from volunteers across all departments.

➤ **Selection Process:**

The selection process began on 23rd July 2025, when an official call for nominations was made. NSS volunteers were encouraged to nominate themselves if they were interested in holding leadership roles and contributing to the functioning of the unit.

For the position of President, five male students came forward and expressed their willingness to lead.

The nominees were:

1. **Yash Makode** (TY-IT)
2. **Omkar Dighe** (TY-CS)
3. **Tanmay Gapat** (TY-Civil)
4. **Sahil Thorat** (TY-IT)
5. **Shivraj Pawar** (TY-Civil)

For the position of Vice-President, four female students submitted their nominations.

The nominees were:

1. **Srushti Manthalkar** (TY-CSBS)
2. **Sakshi Deshmukh** (TY-Electric)
3. **Nikita Nilawar** (TY-ENTC)
4. **Varsha Jadhav** (TY-Electric)
5. **Snehal Patare** (TY-Civil)

A voting process was then conducted among the registered NSS volunteers. Each volunteer had one vote per position, and ballot-based or digital voting methods were used depending on availability. The process was carried out with transparency and fairness under the supervision of the NSS unit.

However, the result for the President's post was withheld temporarily to allow for a comprehensive evaluation of each candidate's past performance, participation in previous NSS activities, leadership skills, and overall contribution to the club

➤ **Result:**

The final announcement of results was held on **28th July 2025** at **JSPM's RSCOE, Tathawade**, in a formal meeting organized by the **RSCOE NSS Unit**, and conducted under the valuable guidance of **Prof. B.B. Gadekar**, the Faculty Coordinator.

Leadership Appointments:

- **President (2025–2026):**

1. **Yash Makode** (TY- IT)

- **Vice-President(s) (2025–2026):**

As the voting resulted in a tie between two female candidates, both were appointed as **Joint Vice-Presidents**:

1. **Shrushti Manthalkar** (TY- CSBS)
2. **Sakshi Deshmukh** (TY- Electric)

➤ **Conclusion:**

The leadership selection process for the academic year 2025–2026 was a collaborative and thoughtful effort to empower students and strengthen the NSS team structure. It provided a platform for aspiring leaders to step up and for volunteers to actively participate in choosing their representatives.

Held at **JSPM's RSCOE, Tathawade**, and led by the **RSCOE NSS Unit** under the mentorship of **Prof. B.B. Gadekar**, the process reflected the values of democracy, service, and integrity that NSS stands for. The newly appointed team is expected to carry forward the mission of the club with commitment, passion, and innovation in the year ahead.
